

School of Industrial Engineering

Accelerated Dual-Degree Program

How to Apply?

Application Information

- Apply during the spring semester of your junior year.
- Application is due by January 31st of each year.
- You can obtain an application by visiting the School of IE website, or by picking one up from the IE Faculty office, located in CEC 116
- The GRE must be taken by the fall semester of your senior year; failure to take the GRE will mean dismissal from the MS Accelerated Dual - Degree Program.

Undergraduate Student Requirements

- OU retention GPA must be 3.25 at time of application
- Maintain undergraduate advisor until your B.S. is posted
- Students accepted into the program can use four professional elective courses (i.e., twelve credit hours) to simultaneously satisfy the requirements of both the BS and MS degrees. Six out of the twelve credit hours must be the following:
 - Spring junior year enroll in IE 5563 (Quality Engineering)
 - Fall senior year enroll in IE 5853 (Applied Research Methods)
- By the end of the spring semester of your senior year you must identify your thesis advisor

Graduate Student Requirements

- The Graduate College monitors your GPA and you must maintain a 3.0 during your graduate school experience.
- File a *Plan of Study* with the student services coordinator by the end of the spring semester of your senior year. The *Plan of Study* must be approved by your Thesis Advisor, Committee, and the Graduate Liaison
- File the *Admission to Candidacy Form* and the *Application for Approval of the Master's Thesis Topic and Committee Membership Form* **two full weeks prior** to the Graduate College deadlines with the student services coordinator. Graduate College deadlines are as follows:
 - the first Monday in March (for summer graduation)
 - the first Monday in April (for fall graduation)
 - the first Monday in October (for spring graduation)
- File an *Application for Graduation* and *Permanent Alumni Record Information* with Academic Records according to their deadlines of:
 - November 1st (for fall graduation)
 - March 1st (for spring graduation)
 - July 1st (for summer graduation)

Note: Acceptance into the Accelerated BS/MS Program does not guarantee admission to graduate school upon graduation with the BS Degree. Prior to acceptance into the IE Graduate Program, students must meet the criteria for the GRE, submit letters of reference, and continue to meet GPA requirements. Final acceptance to the graduate program is subject to approval of the IE Graduate Committee and the Dean of the Graduate College.
